

# **MEDIA RELEASE**

Tania Kernaghan  
Presents

## **Toowoomba Back On Track.**

The evening entertainment at this year's Heritage Toowoomba Royal Show is all about our **Local Heroes** who stand up and do such a fantastic job saving lives and protecting property when mother nature send us her worst. Not only the professionals such as the Paramedics, Police and City Fire Service but in particular the volunteers who make up our Rural Fire Service, SES and many others. They just seem to appear out of nowhere with their bright colored clothes and sheer Queensland determination to get the job done.

The Show Society has extended an invitation to the worse effected families in the recent flood devastation that shook Toowoomba to come to this year's Toowoomba Show at no cost. Free rides for the kids, free show bag, free food and a drink and of course VIP seats to the evening entertainment program.

At 7:15 each night Tania Kernaghan will present "Toowoomba Back on Track" which is a concert tribute to our emergency service men and women. Featured within the Arena Spectacular will be 30 of the top Show UTEs in Australia, over 150 dancers, a mass choir and choreographed horse riding sequences.

The star of the show Tania Kernaghan has always held Toowoomba as her favorite Qld Country City and is looking forward to not only paying her musical tribute to our Local Heroes but to entertaining the very people who have been so terribly effected by flood.

Toowoomba is well and truly Back on Track to be even more prosperous, even more friendly, if that's possible and even more determined than ever before.

Don't miss Tania Kernaghan's "Toowoomba Back On Track" in the main arena each night of the show at 7:15pm followed by fireworks.
